

Exam 220-1001: CompTIA A+

Modality: On Demand

Duration: 30 Min

About this Exam:

This exam is intended for IT Professionals or Computer Technicians that have a good user-level knowledge and experience with personal computer (PC) software and hardware to present fundamental skills and concepts.

Audience:

This course is designed for individuals who have basic computer user skills and who are interested in obtaining a job as an entry-level IT technician.

Prerequisites:

To ensure your success in this exam, you should have experience with basic computer user skills, be able to complete tasks in a Microsoft® Windows® environment, be able to search for, browse, and access information on the Internet, and have basic knowledge of computing concepts. You can obtain this level of skills and knowledge by taking the official CompTIA courses:

Certifications:

This exam is 1 of 2 mandatory exams to earn CompTIA A+ Certification. The other mandatory exams to earn this certification is Exam 220-1002.
